

DEEPWATER INDUSTRIES FEDERAL CREDIT UNION

TRUTH-IN-SAVINGS ACCOUNT DISCLOSURE

Except as specifically described, the following disclosures apply to all of the accounts.

- 1. RATE INFORMATION.** The dividend rate and annual percentage Yield on your accounts is set forth herein. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid, on all accounts based on the dividend rate and frequency compounding for an annual period. The dividend Rate and Annual Percentage Yield (APY) may change daily as set by the Credit Union's Board of Directors. For Share Term (Certificate) accounts, the Dividend Rate and Annual Percentage Yield are fixed and will be in effect for the initial term of the account. For accounts subject to dividend compounding, the Annual Percentage Yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.
- 2. NATURE OF DIVIDENDS.** Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period. The Dividend Rate and APY are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. For all Share Term (Certificate) accounts the dividend period is the account's term. The dividend period begins on the first day of the term and ends on the maturity date.
- 3. COMPOUNDING AND CREDITING.** Dividends will be compounded and credited as set forth herein. The Dividend Period for each account is set forth herein. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period. The compounding and crediting frequency of dividends for Share Term (Certificate) accounts are stated in the Rate Schedule.
- 4. ACCRUAL OF DIVIDENDS.** Dividends will begin to accrue on cash deposits and/or non-cash deposits on the business day you make the deposit to your account.
- 5. BALANCE INFORMATION.** The minimum balance required to open each account is set forth in the Rate Schedule. Dividends are calculated by the application of a periodic rate to the average daily balance in the account for the period. The average daily balance is determined by adding the full amount of principal in the account for each day of the period and dividing that figure by the number of days in the period. To open any account you must deposit or already have on deposit at least the par value of one full share in a Regular Share account. The par value amount is \$5.00. Some accounts may have additional minimum opening deposit requirements. For all accounts, dividends are calculated by the Daily Balance method, which applies a periodic rate to the balance in the account each day.
- 6. ACCOUNT LIMITATIONS.** For Regular Savings and Money Market accounts you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. For Christmas Club accounts, you may make withdrawals and preauthorized, automatic or telephone transfers from your account at any time but there is a fee with each early withdrawal. For Christmas Club accounts, the entire balance will be transferred to a savings account of yours on or after October 1 and the account will remain open. If you wish to access the funds in your Christmas Club account you may close it and forfeit all dividends. In addition you will be charged a fee and will not be permitted to establish a new club account for the duration of that year. For MasterCard Debit Card and ATM Savings Accounts you may use unlimited anywhere without a charge except the fee assessed by the proprietary institution. For all Share Term (Certificate) accounts, after your account is opened you may make withdrawals subject to the early withdrawal penalties stated below. For all Share Term (Certificate) accounts, you may not make additional deposits to your account prior to maturity.
- 7. Maturity.** Your account will mature as stated on this Truth-in-Savings Disclosure or on your Account Receipt or Renewal Notice.
- 8. Early Withdrawal Penalty.** We may impose a penalty if you withdraw from your account before the maturity date. For all Share Term (Certificate) accounts the amount of early withdrawal penalty for your account is **90 days' dividends**. The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividend has already been paid, the penalty will be deducted from the principal.
- 9. Exceptions to Early Withdrawal Penalties.** At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances: (i) When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction; (ii) Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment; or where the account is an IRA and the owner attains age 59 ½ or becomes disabled.
- 10. Renewal Policy.** The renewal policy for your accounts is stated in the Rate Schedule. For all Share Term (Certificate) accounts, your account will automatically renew for another term upon maturity. You have a grace period of ten (10) calendar days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty. Your account is non-transferable and non-negotiable.
- 11. Checking (Share Draft) Accounts.** The Credit Union is authorized to pay checks signed by any authorized account holder and to charge all such payments against the monies in this Account. It is further agreed that: The Credit Union is under no obligation to pay a check that exceeds the fully paid and collected balance in this Account; The Credit Union may pay a check on whatever day it is presented for payment, notwithstanding the date (or any limitation on the time of payment) appearing on the check; When paid, checks become the property of the Credit Union and will not be returned either with the periodic statement of this Account or otherwise; This Account is subject to the Credit Union's right to require advance notice of withdrawal, as provided in its bylaws. This Account is also subject to such other terms, conditions and service charges as the Credit Union may establish from time to time. If the signature card is signed by more than one person, the persons signing shall be the Joint owners of the Account which in that event shall be subject to all terms and conditions. Checks written against accounts with no monies are subject to a collection fee and possible criminal charges.
- 12. Fees for Overdrawing Accounts.** Fees for overdrawing your account may be imposed on each check, draft, preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information. Services and fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

The rates and terms appearing in this Schedule are accurate as of the Effective Date indicated on this Truth-in-Savings Disclosure. Call 856-299-1279 or visit our website at www.deepwaterind.org for rates, yields, fees and terms.
